- whiteheads

***Warnings***

**For external use only. Avoid contact with the eyes.**

***Do not use on***

- broken skin
- large areas of the skin

***When using this product***

- skin irritation and dryness are more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.
- apply only to areas with acne

***If pregnant or breast feeding,***

ask a health professional before use

***Keep out of the reach of children.***

If swallowed, get medical help or contact a Poison Control Center right away.

***Directions***

- cleanse the skin thoroughly before applying this product
- cover the entire affected area with a thin layer one to three times daily
- because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor
- if bothersome dryness or peeling occurs, reduce application to once a day or every other day
