

BIOGESIC- acetaminophen, dextbrompheniramine maleate tablet
Advanced Generic Corporation

AGC-Biogesic Tab 610

Active ingredients (in each caplet)

Acetaminophen 500 mg

Dextbrompheniramine maleate 1 mg

Purpose

Pain Reliever/Fever Reducer

Antihistamine

Purpose

Antihistamine

Nasal Decongestant

Warnings:

Alcohol Warning: If you consume 3 or more alcoholic drinks every day, ask your doctor whether you should take acetaminophen or other pain relievers/fever reducers.

Liver Warning: This product contains Acetaminophen. Severe liver damage may occur if you take

- more than 8 caplets in 24 hours, which is the maximum daily amount
- with other drugs containing acetaminophen
- 3 or more alcoholic drinks every day while using this product

Do not use

- with any other drug containing acetaminophen (prescription or non-prescription). If you are not sure whether a drug contains acetaminophen, ask a doctor or pharmacist
- if you are allergic to acetaminophen or any of the inactive ingredients in the product
- for more than 10 days for pain, unless directed by a doctor
- for more than 3 days for fever, unless directed by a doctor.

Ask a doctor before use:

- if you have liver disease
- if you are taking the blood thinning drug warfarin.

Stop using this product and ask a doctor if:

- pain gets worse or last more than 10 days
- fever gets worse or last more than 3 days
- new symptoms occur n redness or swelling is present
- These could be signs of a serious condition.

Warnings:

- May cause drowsiness: alcohol, sedatives and tranquilizers may increase the drowsiness effect. Avoid alcoholic beverages while taking this product.
- Do not take this product if you are taking sedatives or tranquilizers, without consulting your doctor.
- Use caution when driving motor vehicle or operating machinery.

Overdose Warning: Taking more than recommended dose (overdose), may cause liver

damage. In case of accidental overdose, contact a physician or Poison Control Center right away. Prompt medical attention is critical for adults as well as for children even if you do not notice any signs or symptoms.

Keep out of reach of children.

Overdose Warning: Taking more than recommended dose (overdose), may cause liver damage. In case of accidental overdose, contact a physician or Poison Control Center right away. Prompt medical attention is critical for adults as well as for children even if you do not notice any signs or symptoms.

If pregnant or breast-feeding, ask a Health Professional before use.

Directions: Do not exceed recommended dosage
