LINIMENT

Active Ingredient

MENTHOL

Description

Vetericyn Mobility Liniment is formulated with fast-acting ingredients to refresh tired and worked muscles. It melts on contact and works quickly to reduce swelling and pain of sore muscles and joints, helping to relieve stiffness and soreness caused by strenuous activity.

Dosage/Administration

Directions for Use: Apply Vetericyn Liniment and gently massage into the affected area for relief of muscular and joint soreness, swelling, and stiffness. For deeper penetrating relief, apply under wraps and bandages.

General Precautions

Use Precautions: Use only as directed.

For external use only.

Discontinue use if skin irritation develops and contact your veterinarian. For animal use only, not for human use.

Keep out of reach of children.

For horses not intended for human consumption.
