

PANOXYL- benzoyl peroxide soap
Crown Laboratories

Panoxyl Acne Treatment Bar

Active ingredient

Benzoyl peroxide 10%

Purpose

Acne medication

Use

- for the treatment of acne

Warnings

For external use only

Do not use if you

- have very sensitive skin
- are sensitive to benzoyl peroxide

When using this product

- skin irritation may occur, characterized by redness, burning, itching, peeling, or possibly swelling. Irritation may be reduced by using the product less frequently or in a lower concentration.
- skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time
- avoid unnecessary sun exposure and use a sunscreen
- avoid contact with the eyes, lips and mouth
- avoid contact with hair and dyed fabrics, which may be bleached by this product

Stop use and ask a doctor if

- irritation becomes severe

If pregnant or breast-feeding,

ask a health professional before use.

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- clean the skin thoroughly before applying this product
- work into a lather
- cover the entire affected area with a thin layer and rinse thoroughly one to three times daily
- pat dry
- because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor
- if bothersome dryness or peeling occurs, reduce application to once a day or every other day
- if going outside, apply sunscreen after using this product. If irritation or sensitivity develops, stop use of both products and ask a doctor.

Other information

- Store at 20 ° - 25 °C (68 ° - 77 °F) [see USP Controlled Room Temperature].

Inactive ingredients

Aqua, Cetearyl Alcohol, Decyl Glucoside, Dextrin, Glycerin, Sodium Chloride, Sodium Cocoyl Isethionate, Tetrasodium Glutamate Diacetate
