

DR LIFT SOOTHING CREAM- hydrocortisone lotion Spa de Soleil

Dr Lift Soothing Cream

Active Ingredient

Hydrocortisone 1%

Purpose

Anti-Inflammatory

Warnings

- For external use only.
- Avoid contact with the eyes
- If condition worsens or symptoms persist for more than seven days or clear up and occur again within a few days, stop use of this product and do not begin use of any hydrocortisone product until you have consulted a physician.
- Do not use for the treatment of diaper rash. Consult a physician.
- Keep out of reach of children.

Directions

Directions

- Clean the skin thoroughly before applying this product • Cover the entire affected area with a thin layer one to three times daily

Directions(Continued)

- Because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor • If bothersome dryness or peeling occurs, reduce application to once a day or every other day

Uses:

Protects skin from irritation and itching, promoting faster healing and renewal.
