-----  
**DCH Arthritis Relief, 10% Trolamine Salicylate**

Trolamine Salicylate 10%

Topical Analgesic.

Temporarily relieves minor pain associated with arthritis, simple backache, muscle strains, sprains, and cramps.

**For external use only.**

**Allergy Alert:** if prone to allergic reaction from aspirin or salicylates, consult a doctor before use.

**When using this product** use only as directed, avoid taking a bath or shower within 1 hour before or after applying, do not bandage or use with a heating pad, avoid contact with eyes or mucous membranes, do not apply to wounds or damaged skin.

**Stop use and ask a doctor** if condition worsens or symptoms persist for more than 7 days, if symptoms clear up and occur again within a few days, or if irritation develops.

**Keep out of reach of children.**

**If pregnant or breast-feeding,** ask a health care professional before use.

**Adults and children 12 years of age:** apply generously to the affected area, massage into painful area until thoroughly absorbed into the skin, repeat as necessary, but not more than 3 to 4 times daily. **Children under 12 years of age:** ask a doctor.
