

SA ACNE SPOT TREATMENT- acne spot treatment lotion

Skin PS Brands

SA Acne Spot Treatment

Active Ingredient

Salicylic Acid 2.0%

Purpose

Acne Treatment

Use

for the management of acne.

Warnings

For external use only.

When using this product

- Skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- clean skin thoroughly before applying this product
- cover the entire affected area with a thin layer one to three times daily
- because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three daily if needed or as directed by a doctor
- if bothersome dryness or peeling occurs, reduce application to once a day or every other day
- **Sensitivity Test for a New User:**

Apply product sparingly to one or two small affected areas during the first 3 days. if no discomfort occurs, follow the directions stated above.

Inactive Ingredients

Alcohol Denat., Aqua/Water/Eau, Hamamelis Virginiana (Witch Hazel) Extract, Camphor.
