Attention: Sangeeta Patel, MBA. BSc  
Associate Director, Regulatory Affairs  
100 Bayer Boulevard  
P.O Box 915  
Whippany, NJ 07981-0915

Dear Sangeeta Patel:

Please refer to your supplemental new drug application (sNDA) dated and received July 10, 2024, and your amendment, submitted under section 505(b) of the Federal Food, Drug, and Cosmetic Act (FDCA) for Cipro IV (ciprofloxacin) Injection for Intravenous Use.

We also refer to our letter dated June 12, 2024, notifying you, under Section 505(o)(4) of the FDCA, of new safety information that we have determined should be included in the labeling for Cipro products. This information pertains to the risk of acute myocardial ischemia with or without myocardial infarction.

Additionally, we refer to our supplement approval letter dated September 20, 2024, which contained the following error. The labeling included DISCONTINUED water mark.

This corrected action letter incorporates the correction of the error. The effective action date will remain September 20, 2024, the date of the original letter.

This supplemental new drug application provides for revisions to the labeling for Cipro IV Injection, consistent with our June 12, 2024, letter.

To facilitate review of your submission(s), provide a highlighted or marked-up copy that shows all changes, as well as a clean Microsoft Word version.
