Dear Mr. Duci:

Please refer to your supplemental new drug application (sNDA) dated June 30, 2023, received, and your amendments, submitted under section 505(b) of the Federal Food, Drug, and Cosmetic Act (FDCA) for Protonix (pantoprazole sodium) for injection.

We also refer to our letter dated April 14, 2023, notifying you, under Section 505(o)(4) of the FDCA, of new safety information that we have determined should be included in the labeling for proton pump inhibitor (PPI) products. This information pertains to the risk of erectile dysfunction.

This supplemental new drug application provides for revisions to the labeling for Protonix (pantoprazole sodium), consistent with our April 14, 2023 letter adding erectile dysfunction in section 6.2 Postmarketing Experience.
