Dear Mr. Piszkiewicz:

Please refer to your supplemental new drug applications dated December 12, 2001, received December 13, 2001, submitted under section 505(b) of the Federal Food, Drug, and Cosmetic Act for Celebrex® (celecoxib) Capsules.

We acknowledge receipt of your submissions dated April 26, June 10, July 1, August 14, August 26, and August 29, 2002.

Your submission of April 26, 2002 constituted a complete response to our April 12, 2002 action letter.

These supplemental new drug applications provide for the addition of a 400 mg strength to the currently approved strength and the addition of certain container/closure systems for celecoxib 400 mg capsules.

We have completed the review of these applications, as amended. These applications are approved, effective on the date of this letter for use as recommended in the agreed-upon labeling text.

The final printed labeling (FPL) must be identical to the submitted draft labeling (package insert submitted August 29, 2002, immediate container and carton labeling submitted July 1, 2002).

Please submit the copies of final printed labeling (FPL) electronically according to the guidance for industry titled *Providing Regulatory Submissions in Electronic Format - NDA* (January 1999). Alternatively, you may submit 20 paper copies of the FPL as soon as it is available but no more than 30 days after it is printed. Please individually mount ten of the copies on heavy-weight paper or similar material. For administrative purposes, this submission should be designated "FPL for approved supplement NDA 21-156/S-001 and NDA 21-156/S-002." Approval of this submission by FDA is not required before the labeling is used.
