Dear Nagarjuna Brahmanapalle:

Please refer to your supplemental new drug application (sNDA) dated and received April 14, 2025, submitted under section 505(b) of the Federal Food, Drug, and Cosmetic Act (FDCA) for Horizant (gabapentin enacarbil) extended release tablets.

We also refer to our letter dated January 15, 2025, notifying you, under Section 505(o)(4) of the FDCA, of new safety information that we have determined should be included in the labeling for gabapentinoid products. This information pertains to the risk of neonatal withdrawal and withdrawal in treated patients.

This supplemental new drug application provides for revisions to the labeling for Horizant, consistent with our January 15, 2025 letter.
