Drug Facts (continued)

Stomach bleeding warning: This product contains an NSAID, which may cause severe stomach bleeding. The chance is higher if you:

- are age 60 or older
- have had stomach ulcers or bleeding problems
- take a blood thinning (anticoagulant) or steroid drug
- take other drugs containing prescription or nonprescription NSAIDs (aspirin, ibuprofen, naproxen, or others)
- have 3 or more alcoholic drinks every day while using this product
- take more or for a longer time than directed

If pregnant or breast-feeding, ask a health care professional before use. It is especially important not to use aspirin during the last 3 months of pregnancy unless definitely directed to do so by a doctor because it may cause problems in the unborn child or complications during delivery.

Keep out of reach of children. In case of overdose, get medical help or contact a Poison Control Center right away.

Directions

- drink a full glass of water with each dose
- adults and children 12 years and over:
 - take 1 or 2 capsules every 4 hours or 3 capsules every 6 hours while symptoms persist
 - do not exceed 12 capsules in 24 hours
 - children under 12 years: consult a doctor

Other information

- save carton for full directions and warnings—store at 15°–30° (59°–86°)
- avoid excessive heat above 40° (104°F)
- do not use if the blue band around the capsule is missing or broken

Inactive ingredients: anhydrous citric acid, carrageenan, colloidal silicon dioxide, FD&C Blue #1, hypromellose, medium chain triglycerides, pharmaceutical ink, potassium chloride, soy lecithin, titanium dioxide
