Dear Dr. Bradel:

Please refer to your supplemental new drug application (sNDA) dated and received April 25, 2025, submitted under section 505(b) of the Federal Food, Drug, and Cosmetic Act (FDCA) for Osmolex ER (amantadine hydrochloride) extended-release tablets.

We also refer to our letter dated March 27, 2025, notifying you, under Section 505(o)(4) of the FDCA, of new safety information that we have determined should be included in the labeling for amantadine products. This information pertains to the risk of corneal edema.

This supplemental new drug application provides for revisions to the labeling for Osmolex ER, consistent with our March 27, 2025 letter.
