Dear Ms. Good:

Please refer to your supplemental new drug application (sNDA) dated and received September 1, 2022, and your amendment, submitted under section 505(b) of the Federal Food, Drug, and Cosmetic Act (FDCA) for Seizalam (midazolam injection).

We also refer to our letter dated August 2, 2022, notifying you, under Section 505(o)(4) of the FDCA, of new safety information that we have determined should be included in the labeling for benzodiazepines. This information pertains to the risks of overdose, neonatal withdrawal syndrome, and pregnancy- and lactation-related risks.

This supplemental new drug application provides for revisions to the labeling for Seizalam, consistent with our August 2, 2022, letter. In addition, this sNDA provides for revisions to the Prescribing Information and carton and container labeling to update the company name and contact information.
