Dear Dr. Hensley:

Please refer to your supplemental new drug application (sNDA) dated and received November 20, 2023, and your amendments, submitted under section 505(b) of the Federal Food, Drug, and Cosmetic Act (FDCA) for Zepbound (tirzepatide) injection.

We also refer to our approval letter dated March 28, 2024, which contained the following error: the approval letter included "Medication Guide [REDACTED] (b) (4) (version previously approved November 8, 2023)" in the Enclosures list and enclosure. This Medication Guide is superseded by the Medication Guide dated March 2024 which includes single-dose pen and single-dose vial.

This corrected action letter incorporates the correction of the error. The effective action date will remain March 28, 2024, the date of the original letter.

This Prior Approval sNDA provides for the addition of a single-dose vial container closure system for tirzepatide drug product manufactured at [REDACTED] (b) (4) [REDACTED] (b) (4) and for the expansion of testing role of [REDACTED] (b) (4) the quality control testing site for tirzepatide single-dose vial presentation.
